Lutheran Housing Services is committed to helping residents maintain their independence. At each of the communities, a Social Service Coordinator is on site to assist residents in procuring meals, home health care, housekeeping, etc.

Transportation

Transportation is provided through Huron County Human Services on an on-call basis.

Programs

This community operates as a facility for eligible elderly. The head of the household must be 62 or over and must have income under stipulated levels.

Opportunities are provided for recreational and religious programs, social events, outings and daily peer contact. Security , quiet respect for privacy, and a calm residential setting are also important aspects of living at Luther Oaks.

Rents -Tenants pay thirty percent of adjusted income. A minimum of \$25 per month is required.

Eligibility - Because Lutheran Housing develops communities under special financing arrangements aimed at encouraging housing opportunities for the elderly, an income ceiling limit is required. Occupants must be under the following gross income limits:

\$15,850 gross annual, single person
\$18,100 gross annual, couple (subject to change per federal data) Income from all sources must be verified as part of the initial certification process. Annual desertification is also required. All information is, of course, confidential. You must possess the ability to care for yourself and your apartment with or without assistance (Updated 1/4/06 BJM).
