Need Help Setting Goals?
The Ability Center of Greater Toledo can help you with your goals in the following seven areas of opportunity…

**HOUSING**
Affordable and accessible housing is a building block of a community where everyone can feel at home.

**TRANSPORTATION**
Reliable, affordable, sustainable, and accessible is a must for all people to thrive within their community.

**EDUCATION**
Integrated, person-centered education instills high-expectations early on in students and families.

**EMPLOYMENT**
Diverse and inclusive opportunities built from a naturally supportive culture – creating an environment of success for both the employee and employer.

**HEALTH CARE**
Well-trained professionals throughout health care systems focused on overall wellness.

**PUBLIC SPACES**
Accessible spaces throughout the community (including recreation) lead to involvement and enjoyment for all people.

**SOCIAL OPPORTUNITIES**
Welcoming and inclusive programming creates opportunity for vibrant relationships and strong communities.
